

Paperless vendor payments save time,
and offer HOA and condo boards the
next level of customer experience

SparcPay

Finally, there's a proven and affordable app to replace paper bills and checks with digital approvals and payments. SparcPay streamlines the review and approval of vendor payments. Spend less time on outdated paperwork processes, so you can focus on what really matters.

Vendor Payments Done Right

Eliminate Paperwork

No more passing around stacks of bills and checks. SparcPay allows managers & board members to conveniently approve payments from any device.

Convenience and Control

Working remotely or travelling? You can still review and code bills, see attachments, and digitally approve payments from anywhere.

Smarter payments

Checks are time-consuming, and prone to error and fraud. Electronic ACH payments are secure, traceable & convenient

The Proven Solution for Property Management

"SparcPay has been a huge time saver! We have freed up 1-2 hours per day that we can now devote to more important tasks. The platform is straightforward and easy to use, which has made a significant impact in our operations and scalability. Our homeowners and board members are also happy as they now have better visibility into the payment process. I highly recommend SparcPay!"
