

AX9 SECURITY, INC.

RESIDENTIAL SECURITY SERVICES

Dedicated Physical Security Solutions Nationwide

ABOUT US

Every residential building is different, and at AX9 our mission is to **understand** your building's operational requirements and partner with you to **create** a security solution **tailored** to those needs. Utilizing intelligence from our **nation-wide** retail portfolios, We provide efficient, intelligent and pro-active **security solutions**.

Our officers are trained with a **"How Can We Help?"** mindset, to **defuse** potential problems. We select **trusted** officers to **protect** your building and provide **specialized** training for security, ensuring a **safe** environment for employees and residents. This includes:

- › Verbal Judo
- › Secret Shopper Programs
- › Customized Trainings

Reach out, let's talk about what we can do for you.

We provide security solutions for all residential property types including:

- › New Developments
- › High- Rise Buildings
- › HOA's
- › Nursing Homes
- › Gated Communities
- › Luxury Condominiums

We work with our residential clients to develop specialized security solutions that include services like:

- › Access/Key Control
- › Visitor Logs
- › Monitoring Security Systems
- › Daily Activity Reports
- › Incident Response
- › Neighborhood Patrols

Reach out, let's talk about
what we can do for you.

We select **trusted** officers to **protect** your building and provide **specialized** training for residential security, **ensuring** a **safe** environment for residents. This includes:

Verbal Judo

Training in a communication technique that helps de-escalate conflicts and resolve situations through strategic, calm, and persuasive dialogue.

Secret Shopper Programs

Evaluate performance and customer experience by using undercover assessments to identify strengths and areas for improvement.

Customized Trainings

Tailored to address specific risks and needs, ensuring our security teams are well-prepared for unique challenges.
