

# Your Safety Is Our Priority

## COVID-19 Safety Precautions

Your health and safety are important to us. We are dedicated to ensuring a great experience and keeping you safe. We have guidelines in place and are working with the Jacob K. Javits Center to ensure your visit to the CooperatorEvents New York Expo is as safe as possible.

### **Mandatory Vaccination Policy:**

Effective immediately, proof of a COVID-19 vaccination is required for admission for all events at the Javits Center. This includes all event organizers, contractors, exhibitors and attendees, who will be required to show proof of vaccination in order to enter the convention center.

In accordance with New York State and New York City guidelines for large-scale indoor events, individuals ages 12 and older are required to show proof they have received at least one dose of a COVID-19 vaccine authorized for emergency use by the U.S. Food and Drug Administration (FDA) or World Health Organization (WHO). **There are NO medical or religious exemptions.**

For proof of vaccination, individuals can use:

- CDC Vaccination Card. A photo or photocopy of this card is also acceptable;
- NYC Vaccination Record or other official immunization record from within or outside the U.S., including from a health care provider. A photo or photocopy of this card is also acceptable;
- NYC COVID Safe App: Android | iOS. You can upload to this app a photo of your CDC vaccination card or other official record, along with your photo ID;
- Excelsior Pass (or Excelsior Pass Plus). To use this app, you will need the phone number or email address associated with your vaccination record. If you are unable to use this app, try one of the other options listed above; and

- Clear Health Pass. To use this app, you will need a unique organization code before scanning your vaccine card or linking your lab account with a one-time login to your health provider.

### **Face Mask Requirements:**

- The Javits Center also requires all visitors to wear face coverings inside the facility regardless of vaccination status
  - **Wear a well-fitting, properly positioned face mask** when visiting the exhibition, attending sessions and meetings, and while engaging with other participants
  - Disposable masks will be available to anyone who needs one
  - Anyone not following the masking requirements will be asked to leave the show floor and building.

### **CooperatorEvents Health and Safety Guidelines**

- Hand sanitizer stations located at registration, entrance to show, and throughout the facility.
- Social Distancing in seminar rooms
- Plexi shields at registration and advice booth
- Socially distanced seating in all food and beverage areas
- Javits Center has installed High Efficiency Particulate Air (HEPA) air filters to reduce air pollutants throughout the convention center;
- Javits Center has Received Global Biorisk Advisory Council (GBAC) accreditation, the industry's highest standard for cleaning and disinfection.

### **Physical Touching is Discouraged (Handshakes, Hugs, or Fist Bumps)**

We request that attendees, speakers, staff and sponsors respect a “no-touch” policy at the event and highly recommend washing your hands often to prevent illness.

### **Seating and Spacing**

Seating will be spaced with the recommended distance between attendees as determined by the venue and its local government.

**If You Are Sick (Even though fully vaccinated):**

If you have a temperature, are showing any potential symptoms of COVID-19, have tested positive for COVID-19, or have been in close contact with anyone that has tested positive for COVID-19 within 14 days of the event, you are not permitted to attend this event. Please stay home.

Potential COVID-19 symptoms include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

We thank you for your commitment to protecting the health and well-being of your fellow CooperatorEvent participants and look forward to seeing you at the show!
